**Beneath the surface of the marginalized are constant emotions bubbling up when coming face to face with discrimination. These feelings, often submerged beneath the surface, carry stories of pain, resilience, and hope. *Bubbling Up* seeks to capture these untold narratives, bringing them to the forefront. This project isn't just about revealing truths; it's about acknowledging them, confronting them, and fostering a community of understanding and solidarity. It's a journey from the shadows of silent hurt to the light of shared healing.**

# GRACE & GORDON GAMM THEATERS

"You don't act Black  
or talk black" But  
I am and I have to deal  
with the hurt that comes  
with it.

I can't imagine the pain of not  
feeling safe in your own home,  
of feeling targeted in this way.

I had a friend who grew up  
on a sheep farm whose family  
also had a rifle at the front door-  
to protect the sheep. I can't imagine  
the terror of needing to protect  
the humans this way. I am so sorry.
